

Getting to the Circular Parking at Marriotts

Please do not park on Brittain Way

If you cannot cycle to the Circular please try to lift share or come by train.

Train to the Circular

The event HQ will be at Marriotts Sports Centre, SG2 8UT. That is less than two miles from Stevenage Railway Station, SG1 1XT.

From the train carry your bike up the stairs to the booking office (sometimes it is possible to ask a member of staff to take you and your bike up in the goods lift).

Go through the ticket barriers and turn LEFT. Shortly turn LEFT and walk down the ramp (odd design, part ramp, part steps). At the bottom of the ramp turn LEFT and walk across the taxi and drop off / pick up area towards the cycleway which you will see between you and the railway.

Get on bike. Turn LEFT (south) on cycleway with the railway on your rhs. Shortly down slope and at cycleway T-junction turn LEFT (east) onto another cycleway. You will now have Six Hills Way on your rhs. Continue forwards passing the town centre on your left and Asda on your right.

Climb hill to pass Fairlands Valley Park and FWD to cross park access road. At RBT turn LEFT onto road. This is Brittain Way. Continue FWD into Marriotts School site. Keep going straight on through the main school car park. Immediately before the main school building you will see a gateway on your LEFT. Proceed with care and watching for pedestrians on the access route that goes round the lhs of the main school building. After going through another gateway you will come out on a large surfaced area marked with sprint lines. The sports centre should be obvious on your lhs. Please leave your bike outside the building.

Trains from Kings Cross include 0753 (arr 0816); 0806 (0842); 0823 (0846); 0853 (0916) and 0903 (0922). There are also trains from Peterborough, Cambridge and Hertford which should get you to the start on time. Please check with the train operator near the day for any changes due to engineering work, etc.

Parking

If you have to come by car please park in the main school car park. Do not park on Brittain Way. Continue from Brittain Way onto the school site. Please drive carefully on the school site. There will be cyclists, young people and other site users around. Do not attempt to drive round the main school building to the sports centre.

The only motor traffic access to Marriotts is via Brittain Way which is off Six Hills Way.
