Notes-
 1 Entries where DA is shown but CTC membership no. is not known were made either on ALX forms where the DA was indicated but not the CTC no., or on the day, when the membership no. was not remembered.
 2 Entries where the CTC membership no. is shown but the DA is not known result from the earliest reporting DA and were being no obvious DA covering their post code area.
 This situation has been reviewed more closely, because neither members nor I yet understand where they fit in the new CTC structure.
 3 The surname/initials column is based on incomplete information, since entries on ALX forms lack a date of birth box.
 4 There were 209 entries, of whom 186 started and 180 finished.
