Notes:-

- 1 Entries where DA is shown but CTC membership no. is not known were made either on AUK forms where the DA was indicated but not the CTC No., or on the day, when the membership no. was not remembered
- 2 Entries where the CTC membership no. is shown but the DA is not known result from the entrant not specifying a DA and there being no obvious DA covering their post code area.
This situation has been rendered more chaotic, because neither members not I yet understand where they fit in to the new CTC structure.
- 3 The veteran/female/junior column is based on incomplete information, since entries on AUK forms lack a date of birth box.
- 4 There were 112 entries, of whom 96 started and 88 finished.
