This event is **not a race or trial of speed**. You must follow the rules of the road and show consideration for other road users. The route is on open public roads, is not way-marked or marshalled, the organiser provides no rescue service. Familiarise yourself with the route and note that some routes may be arduous. We suggest carrying lights at all time but they will be required if there is a possibility of still riding in the evening or if the weather is inclement. There are minimum and maximum speeds for each ride which must be adhered to that are indicated in the relevant ride information. Full mudguards are optional but other riders will appreciate you using them.

I have read and understand the above and enclose my entry fee. (All entries on the day will be £10) Cheques should be payable to Stevenage and North Herts CTC. *If the reduced entry fee is paid, a Cycling UK number must be given. If you have not given an email address, please enclose a stamped addressed envelope.
